**COLLEGE
APPLICATION**

INSPIRED TO FLOURISH

WELCOME

Dear Prospective Parent

At St Dunstan's College, we recognise the empowering impact that good grades can have on the life of a young adult. As such, we emphasise the importance of the development of curiosity and tenacity, while also stressing the value of hard work.

We are mindful, too, that a truly great education is about much more than just academic pursuits. A truly great education is one that is rigorous and empowering, blending factors that are both immeasurable and values-based. School should be a transformative experience, developing each pupil's individual strengths. We provide opportunities that stimulate their intellectual, artistic, sporting, musical and spiritual talents whilst also ensuring that each grows to understand the importance of care and service to others.

We believe that it is not enough for a child just to concentrate on their own strengths and building their own career. In keeping with the school motto "I Serve", we believe that every child should be fully engaged in our community, in service to others. Seeking active partnerships with our neighbours, we forge mutually beneficial relationships with state schools and the community. The St Dunstan's College partnership with Unity Secondary school is an example of this outreach.

We have pleasure in enclosing an application form for enrolment into the College. The fee structure and school calendar is attached as a guideline.

Prospective parents may contact Joy Cousins who will gladly assist. She can be contacted on **073-467-4566** or **jcousins@stdunstans.co.za/admissions@stdunstans.co.za**.

Kindly note, that as there is a high demand for a place at the College, early applications are recommended.

We look forward to meeting you and your children and to a happy association together.

Yours faithfully,

Mr Michael McConnachie
Rector
