GREY COLLEGE SECONDARY SCHOOL

A SOUTH AFRICAN PARALLEL MEDIUM SCHOOL FOR BOYS

SCHOOL FEES / HOSTEL FEES TERMS AND CONDITIONS

DECLARATION AND UNDERTAKING BY PARENTS OR GUARDIANS

We hereby acknowledge that all information and documents accompanying this application are complete and correct in every aspect. Should any information be found to be incomplete, incorrect or misleading the school may cancel this application without further consideration. We hereby fully accept the school's code of conduct as well as any rules or regulations implemented by the school's governing body. Furthermore, we accept that the learner(s) should adhere to the school's disciplinary code from the day their academic career at Grey College Secondary School starts until the day their school career at Grey ends. We accept that the school and its staff will, with the utmost discretion, report to the parents/guardians with regard to academics, conduct, disciplinary transgressions, wellbeing and health as necessary. We also authorize the school to follow the necessary procedures in case of illness, injury and/or any relevant medical incident. We as parents take responsibility for any defects or damage to the school's property caused by the applicant/learner. We as parents/guardians hereby indemnify the school in its entirety as well as all staff in service of Grey College from any damage, injuries, medical costs, theft, lost property and all financial and physical loss.

In accordance with the law, Grey College charges school fees for each learner in the school. Payment thereof is subject to the following terms and conditions: We as parents/guardians take responsibility jointly and severally for paying the school fees which are payable as per the Schools Act. Should we not fulfil this legal obligation of paying the school fees, we accept the procedure that will follow in updating our credit record as well as for the charging of interest and administrative and credit bureau fees on the overdue account. Fees are to be paid in full at the start of each academic year, yet should monthly or quarterly payments be selected, and the school approves, payment must be made promptly on or before the 7th day of each month. Monthly payments occur from January to October and quarterly payments occur in three instalments at the start of the first three terms of the year. The parents/guardians themselves are solely responsible for the payment option selected, in other words per debit order, credit card or electronic transfer. Parents/guardians are also liable to pay all legal costs should the account be handed over to the collections lawyer. Parents/guardians are also liable to pay any administrative and collection costs of the collections lawyer as agreed upon between lawyer and client.

We as parents/guardians pledge that, should any payment not be received by the due date, the total outstanding annual balance of school fees or hostel fees, as of date of non-payment, will be settled immediately. Should the full amount not be settled immediately, Grey College reserves the right to hand over the full amount for collection.

All new learners must pay a deposit as indicated by the financial committee within 7 days upon receipt of an acceptance letter in order to ensure their place in the school. This deposit is non-refundable and will be forfeited should the learner leave the school or not accept his place the following year.

NOTICE TO LEAVE THE SCHOOL:

ONE calendar month written notice is required should a learner wish to leave the school; else you as the parents/guardians remain responsible for the school fees of ONE calendar month.

Please note that learners are **LIABLE TO PAY TRAVEL COSTS WITH REGARD TO SCHOOL TOURS**, regardless of whether alternative arrangements are approved.
